My career in three sentences

I have written three books: *Craze: Gin and Debauchery in an Age of Reason*, *The Incendiary* (short-listed for the Governor General's Award), and *All or Nothing: A Short History of Abstinence in America*. I have also written for *Playboy*, *BBC History*, the *Toronto Star*, the *Globe and Mail*, and *History Today* (among others). The other type of writing I do is academic, and here the list includes articles in the *American Journal of Public Health*, *Addiction*, the *Journal of Social History*, the *Journal of British Studies*, *Social Science History*, and the *Journal of Interdisciplinary History*.
